

Adventure in Art School Break Day Camps! -Mondays

Do you have a young artist or just want to introduce your child to the Arts?

Adventure in Art School Break Camp is the place to nurture their talents.

They will learn various art techniques and get one on one guidance and mentoring.

Morning session- 9am – 12 noon--Students will get hands-on instruction using pencil, marker, charcoal and ink. We will start with abstract styles to focus on improving our shape and line and then move to realistic drawing. \$45.00

Afternoon session- 1pm – 4pm--Students will delve into painting and create a finished artwork using acrylic and/or watercolor paint and making use of the techniques artists use to construct good paintings! \$45.00
--If the student went to the morning session, they will be able to apply their new drawing skills to compose their painting.

Full day session- 9am – 4pm – Students will tackle drawing in the morning and continue on to painting in the afternoon. Here they can develop good drawing skills and use them in a painting later that day. This is a great way to immerse the student in the creative process and they have several finished pieces to take home. \$80.00

Classes are available on a per day basis and choose morning, afternoon, or both. There is also an extended option to pick up students between 4 and 5:30pm.

Some seasonal dates may have varied projects.
